Hughes Precision Products LLC, In accordance with Chapter 44 of Title 18, US Code, and Chapter 53 of Title 25, US Code, I am temporarily conveying to you the enclosed NFA firearm(s) for repair. The BATFE does not consider such a temporary conveyance for the repair of NFA firearms a "transfer" under the terms of the NFA. Therefore, a Form 5 transfer application is not required. In order to properly document the repair of this firearm and ensure a transfer does not take place, I have included a copy of the current registration of the item (a copy of the BATFE Form 3, 4, or 5 is attached) and this letter authorizing **Hughes Precision Products LLC** to make the necessary repair to these firearms and return them to me when completed.

Signed, _____

Note: If customer sending in the NFA item is an FFL holder, be certain to also record in bound books the disposition of the firearm as required by Part 179, Title 27, Code of Federal Regulations to reflect the temporary location of this firearm for repair purposes.
